

Introductions and Appreciations

▶ Introducing ourselves

- 3 minutes: Introduce yourself to someone next to you. Include sharing what you'd be doing or what you had to give up to be here and what you're most looking forward to today.

▶ Appreciating our conference planning team:

- **Innovations:** R. Campbell, MD, Kitty McMahon, PhD, Lars Osterberg, MD
- **Networking:** Ralph Aarons, MD and Gerry Wickham, MA
- **Research Agenda:** Kevin Moynahan, MD, James Wagner, MD, Marj Wenrich, MPH, Scott Wright, MD
- **Student Participation:** Zac Cordner, MS-3
- **Overall Coordination:** Susan Shultz, JHUSOM Colleges Coordinator

▶ Networking

- Everyone; Volunteer mentors

▶ Research Agenda

- Zac Cordner, Student Group
- Marj Wenrich, MPH
- Scott Wright, MD
- Facilitators: K. Moynahan, J. Wagner, M. Whipple

Case Conference, Innovations

Networking, Research Agenda

Definition of Learning Community

- ▶ A group of people who share common values and beliefs, who are actively engaged in learning together and from each other.

Four key elements:

- ❖ Sense of membership
- ❖ Sense of personal influence
- ❖ Fulfillment of individual needs
- ❖ Shared events, emotional connections

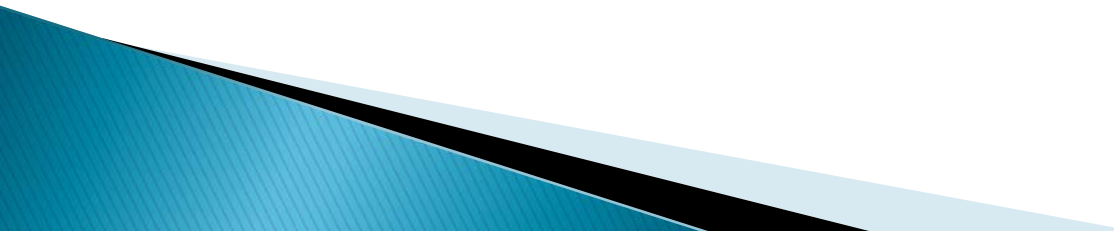

McMillan and Chavis, 1986
