# Highlights from the Hopkins meeting

---

- Titles of some of the presentations
  - Innovations in Learning Communities
  - Research Agendas in Learning Communities
  - Student Leadership in Learning Communities
- This meeting more than any previous meeting established the momentum for formalizing the LCI into an official organization with bylaws and an organizational framework

# LCI 2011

---

- Denver Colorado
- Held on Saturday before AAMC meeting
  - Topics presented included:
    - UTSW' s incorporation of LC' s changed the perception of students on teaching and learning at that medical school
    - Vanderbilt' s program on “Student Wellness” using their Colleges as a focal point for delivery

# LCI 2012

---

- Themes that have persisted from previous LCI meetings to be presented again today
  - Innovations
  - Hot Topics
  - Research
  - Mentorship
  - Leadership

# LCI 2012

---

- San Francisco and Palo Alto
  - New experience to split meeting up between two venues
    - New feature for this year
  - Details about today's meeting both here and in Palo Alto
    - Amy Fleming from Vanderbilt
